ONLINE BANKING ENROLLMENT

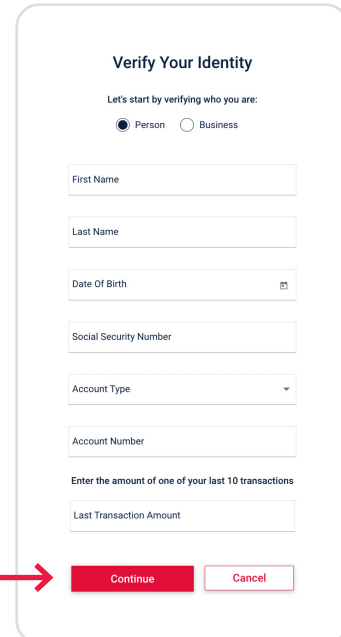

Visit amerisbank.com and click **Online Banking Enrollment**.

The screenshot shows the Ameris Bank homepage. The navigation bar includes the Ameris Bank logo, links for BUSINESS, PERSONAL, and MORTGAGE, and a search icon. A red box highlights the "OPEN AN ACCOUNT" link in the top right. The main banner features the text "Simplify banking with our free checking account." and a "Get Started" button. On the right, the "Online Banking Sign-In" menu is open, showing options for Personal and Business accounts. A red arrow points to the "Online Banking Enrollment | Sign in to another account" link.

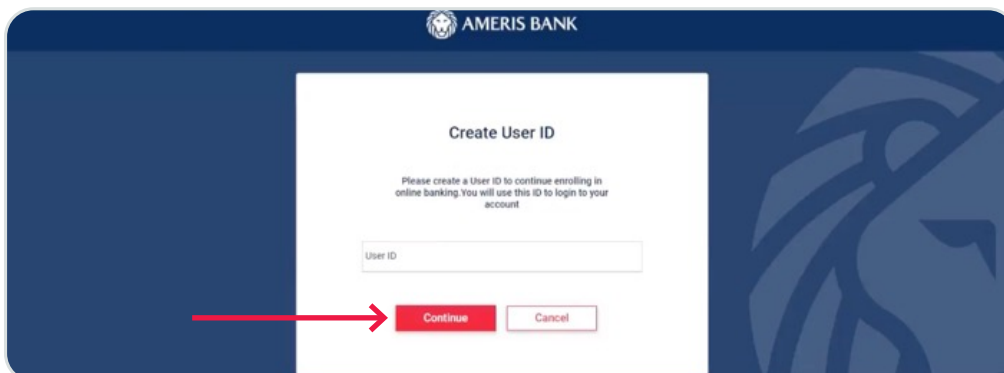

Fill in your information and click **Continue**.

Note: You will need your social security number, account number and the amount of one of your last 10 transactions. This can be any type of transaction (including check, debit card purchase, transfer, deposit etc.)

The screenshot shows the "Verify Your Identity" form. It includes fields for First Name, Last Name, Date Of Birth, Social Security Number, Account Type, Account Number, and Last Transaction Amount. A red arrow points to the "Continue" button at the bottom right.

Choose a username and password. Be sure it meets the requirements on the screen. Then, click **Continue** to login.

The screenshot shows the "Create User ID" form. It includes a field for User ID and buttons for "Continue" and "Cancel". A red arrow points to the "Continue" button.

LOGGING IN

Visit amerisbank.com and enter your username and password. Click **Sign In**.

Note: You may be asked to check a text message* on your mobile phone for a verification code. This is to protect your account.

The screenshot shows the Ameris Bank homepage. The header includes the Ameris Bank logo, navigation links for BUSINESS, PERSONAL, and MORTGAGE, and a search bar. A red arrow points to the 'SIGN IN' button in the Online Banking Sign-In panel. The panel also includes a 'Personal' radio button, a 'Business' radio button, a 'Username (Case Sensitive)*' input field, a 'SIGN IN' button, a link for 'Online Banking Enrollment | Forgot User ID?', a 'Sign in to another account' section with a 'Mortgage Payment' dropdown and a 'GO' button, and a 'Get Started' button on the left.

You may see a page with additional features including **Online Bill Pay**, **eNotices**, and **Zelle®**. To enroll, simply check the box and click **Continue**. You'll be guided through the simple steps for each service.

The screenshot shows the 'Key Features' section of the website. It includes a 'Welcome to D1 Online Banking' message and a list of features to enroll in. The 'Bill pay' feature includes a list of benefits and an 'Enroll' checkbox. The 'Zelle®' feature includes a list of benefits and an 'Enroll' checkbox. A red arrow points to the 'Continue' button at the bottom of the section.

PAY BILLS

You can manage all your bills from one place. Click **Bill Pay** to get started. From the main Bill Pay screen you can view recent and scheduled bills, ebills, and manage your bill pay settings.

To get started **add your payees**. Most large companies can be added by searching the name. Select the correct company, fill in the required information and click **Save New Payee**.

If your Payee is not listed, you can add them manually. Instead of searching, select “**or click here to add a payee manually**” and fill in the required information. The system will compare the address you entered with post office records and ask you to verify.

COMMUNICATIONS

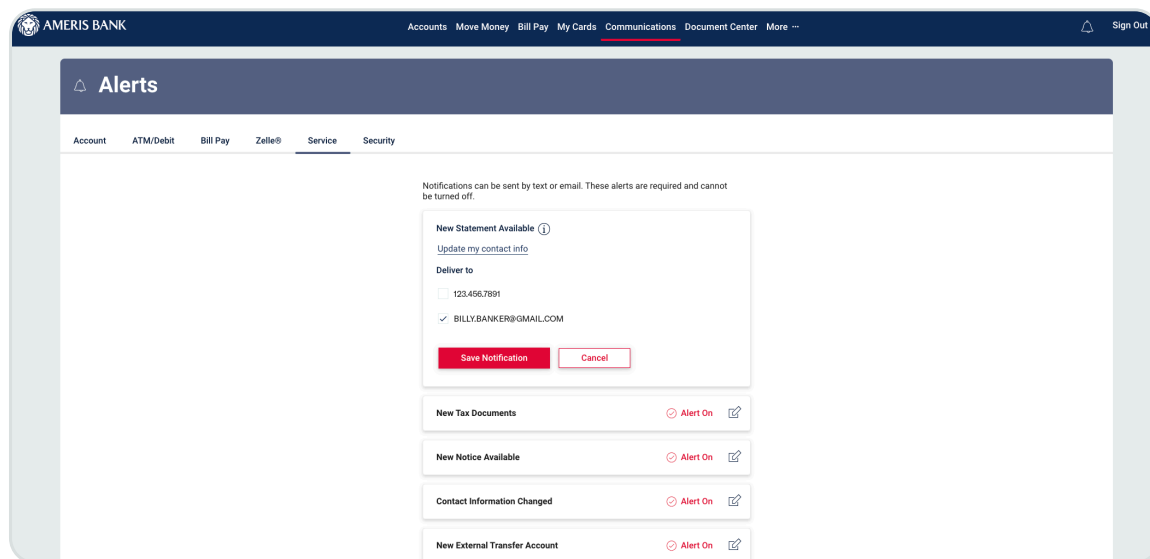

The **Communications** menu lets you manage your alerts, view messages from Ameris Bank and push notification to your mobile device through the Ameris Bank Mobile Banking app.

The screenshot displays the Ameris Bank online banking dashboard. At the top, a dark blue navigation bar contains the Ameris Bank logo and several menu items: **Accounts**, **Move Money**, **Bill Pay**, **My Cards**, **Communications**, and **Sign Out**. A red arrow points to the **Communications** menu item. Below the navigation bar, a user greeting "Welcome, Billy!" is shown with a last login timestamp. A dropdown menu is open under "Communications", showing options: **Manage alerts**, **Secure Messages**, and **Push Notifications**. A red button labeled "Open a new account" is visible in the top right corner. The main content area is divided into several sections: "Display Options" with a "Tile View" toggle; account balances for "Checking 1234" and "Savings 5678"; "Recent Transactions" for the checking account; "Announcements" including a loan offer and a b840 announcement; "Scheduled Transactions" showing no upcoming transactions; "Available Services" with an "eStatement" button; and "Enrolled Services" with links for "Bill Pay" and "Zelle".

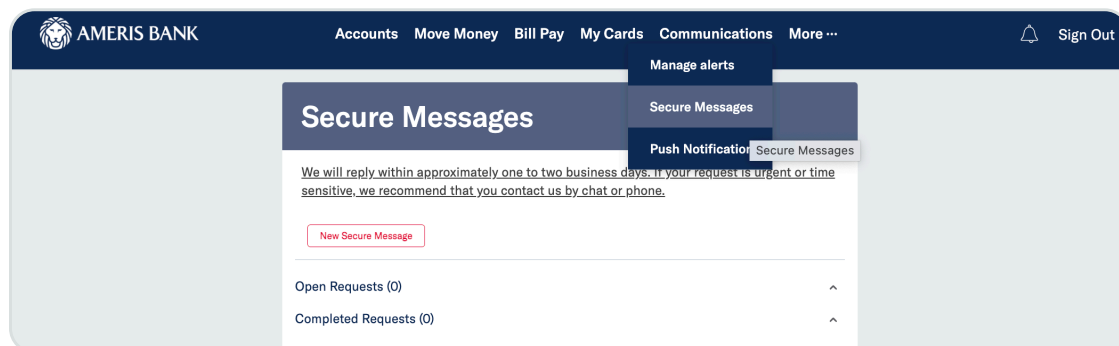

The tabs at the top allow you to choose your alerts category. On the Accounts tab you can select and change settings for an individual account.

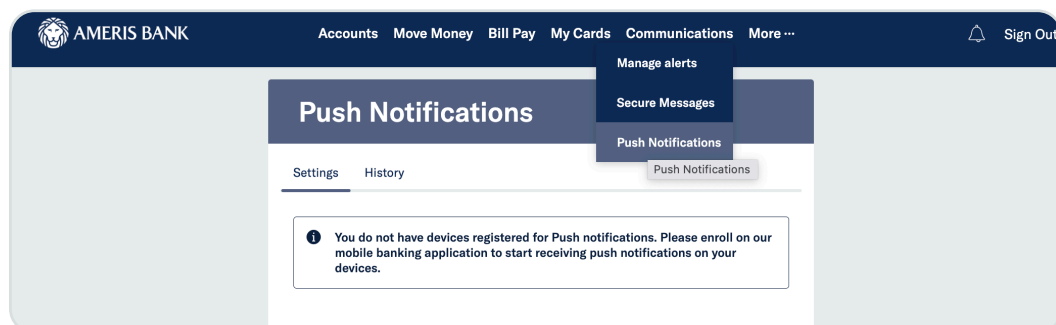

You can also choose how you would like to receive alerts, either by text message* or email.

We want to protect your sensitive information. That's why you should contact the bank for non-urgent matters through the secure message feature in the Communications menu. Here you can send new messages and read replies from the bank. We'll send you a notification when you have a new message to read.

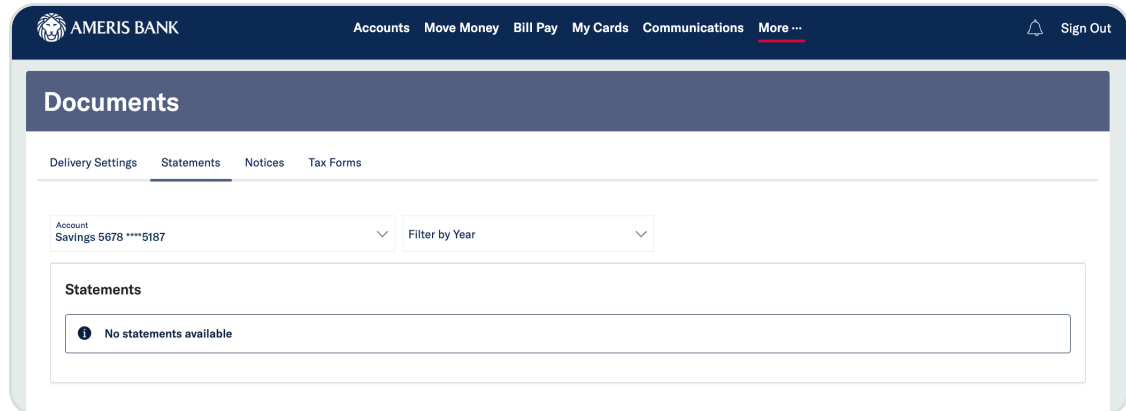

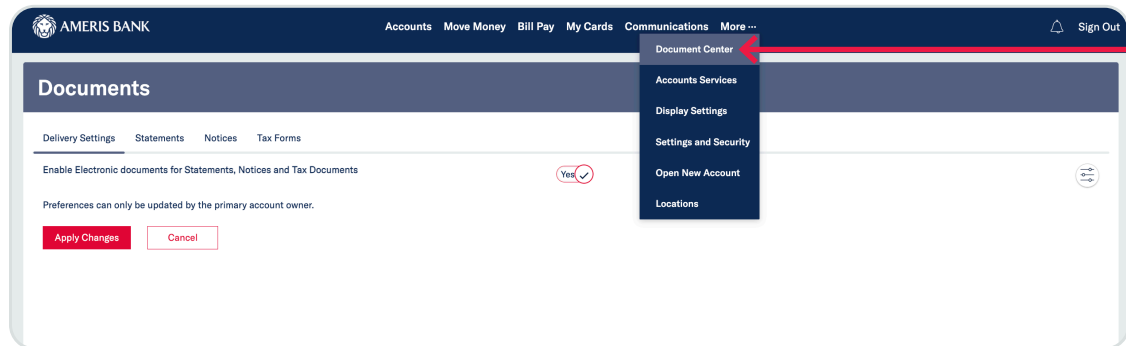

You can also control and view previous push notifications sent to your mobile device through the Ameris bank Mobile Banking app.

*Mobile carrier data and messaging rates may apply.

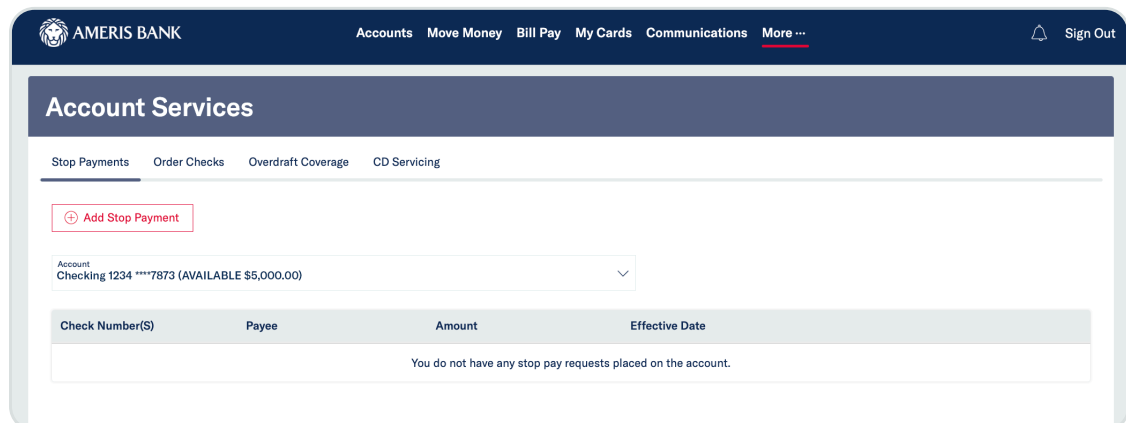

DOCUMENT CENTER

You can view all your account documents including statements, tax forms and notices by clicking **More**, then **Document Center**. You can also enroll in electronic documents on the Delivery Settings tab. This makes it easier to find your records without cluttering up your desk.

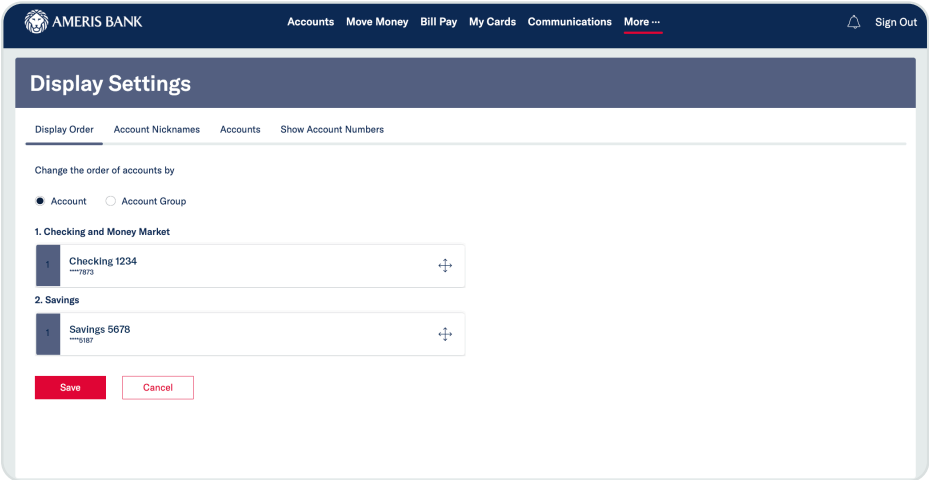

ACCOUNT SERVICES

The **Account Services** area, under **More**, allows you to place stop payments, order checks, adjust your overdraft preferences and renew CD accounts all from the comfort of your home.

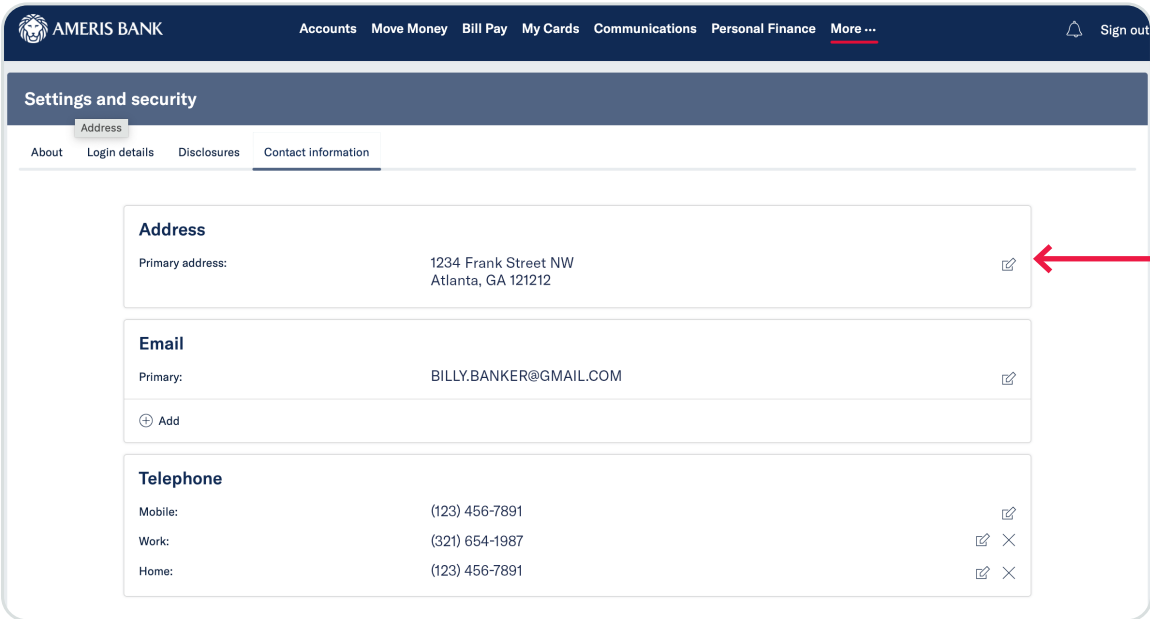

DISPLAY SETTINGS

The display settings page lets you create a customized experience. You can move the accounts you use the most to the top of your accounts page, name your accounts, hide accounts, and decide whether you want the privacy of hidden account numbers or the convenience of having them always displayed.

SECURITY AND SETTINGS

Security and Settings under **More** gives you the ability to change your password, username and update your contact information. Fields that can be edited have a pencil icon. Click this icon to make changes.
